

ACEA Lunch and Breakfast program

Since our ACEA families live all over Midland County, we are working with other Midland school districts to ensure our students can access food drop off locations easier and still have the opportunity to be provided FREE MEALS.

Below are 3 locations along with ordering information for each. If you have questions, concerns or problems with ordering or picking up meals, please call Jeanette Smith at 989-631-5202 ext. 214. Or email Jeanette.smith@etc-1.com.

1. Midland Public schools

Midland Public Schools will be extending the Free Summer Meals Program for all community children age 0-18. That means **Free Meals** for all children! No need to fill out a pre order form at this time. A request signature of confirmation of meal pick up will be provided at each location.

Midland Public schools will still be distributing free meals during winter break. To view this information on dates and times, please click on the link above. Once you have been directed to the Midland Public school page, you can click on the link at the top of the page labeled "Food Service Free Meals Update (Updated 12/07/2020)". That link will provide you information on food distribution, time and dates.

Those who pre-register their child here to receive food during these in-person pauses will have food available to them. You **MUST** do a separate survey for EACH child.

For short-term (14 days or less) in-person pauses, food will need to be picked up on **MONDAYS FROM 3-5:00 P.M.** There will **NOT** be busing or other distribution sites.
