

# ACEA Lunch and Breakfast program

Since our ACEA families live all over Midland County, we are working with other Midland school districts to ensure our students can access food drop off locations easier and still have the opportunity to be provided FREE MEALS.

Below are 2 locations along with ordering information for each. If you have questions, concerns or problems with ordering or picking up meals, please call Jeanette Smith at 989-631-5202 ext. 214. Or email [Jeanette.smith@etc-1.com](mailto:Jeanette.smith@etc-1.com).

## 1. Midland Public schools
